

# Respiratory Care

## Application Information

- When will the application be due?
  - The deadline is will likely be in late January. Please check back for more details soon.
- What can I expect? What are the components?
  - The Respiratory Care application will gather information about your prerequisite classes and grades. See the “Program Prerequisites (part of AAS-T)” on this website for details:
    - <http://healthcare.seattlecentral.edu/programs/respiratory-care/course-planning>
  - If you took any prerequisite classes at colleges other than Seattle Central, please begin the official transcript evaluation process as soon as possible. The process is described on this form:
    - <http://seattlecentral.edu/forms/workforce-evaluation-form-B-191.pdf>
  - The application will ask for your TEAS scores.
  - The application will ask for two letters of recommendation: one from an employer and one from a professor or community leader.
  - There will be a short essay about your interest in the Respiratory Care profession.
- Is there a fee?
  - There is a \$35 application fee.
