

# BAS in Allied Health Respiratory Care Track

Scan Me for Digital Copy

Seattle Central College's Respiratory Care track is a full-time, face-to-face, rigorous bachelor's degree program that combines classroom training with practical, hands-on experience. This program will prepare you to become a member of a dedicated healthcare team that treats patients with cardiopulmonary disorders.

## How long is the program?

---

After you have completed the pre-requisites (about two years of work), the Respiratory Care track is 7 full-time quarters (just under 2 years) after which you graduate with a Bachelor of Applied Science and are ready to apply for a license as a Respiratory Therapist. Click here for more information about the curriculum: [Program Quarter-by-Quarter Walk through Presentation](#)

## How can I learn more?

---

The Seattle Central Respiratory Care Program is at the beautiful Health Education Center on Beacon Hill with sweeping views overlooking the Puget Sound! Join us on campus for a [tour](#) and/or watch our virtual [Respiratory Care BAS Program Information Session](#)

## How do I apply?

---

Our advisor, Antaknea Majors ([antaknea.majors@seattlecolleges.edu](mailto:antaknea.majors@seattlecolleges.edu)), is happy to help you plan out your prerequisites. The online application opens in January each year for a Fall Quarter start. You can find the application here: <https://apply.seattlecolleges.edu/respiratorycare>

The minimum required documentation for applying:

- ✓ Unofficial transcripts showing successful completion of pre-requisites with a 2.0 or higher
- ✓ A full report for your [TEAS](#) scores, including composite score and all four sub scores
- ✓ A plan for completing your pre-requisites before the first quarter †

**The program starts each Fall for 7 full-time, consecutive quarters to graduate with a BAS in the Spring. Use the pre-requisite worksheet to help you plan your pathway to becoming an RT!**

NAME:

SID:

†Applicants may have remaining pre-requisites to take at the time of application, but all entrance requirements must be completed before the first quarter in the program.
