ADN Program Admission Information Packet

SCC ADN Program has accreditation with the Accreditation Commission for Education in Nursing (ACEN), 3390 Peachtree Road NE, Suite 1400, Atlanta, GA 30326; (404) 975-5000.

Approved by the Washington State Nursing Care Quality Assurance Commission

<http://www.doh.wa.gov/LicensesPermitsandCertificates/NursingCommission>

Seattle Central College's Nursing program is intended to meet the educational requirements for licensing/certification in the State of Washington only. Seattle Central College has not determined if the Nursing curriculum meets the educational requirements for licensing/certification in any other state. Additional information about licensure/certification concerns can be found on the NC-SARA webpage.

Revised 1/15/2025

I. Eligibility

Nursing involves the provision of direct care for individuals and is characterized by the application of verified knowledge in the skillful performance of nursing functions. Anyone who makes application to the college as a degree-seeking student may apply to the Seattle Central College Associate Degree Nursing Program. Admission to the program is open to all qualified students regardless of economic or social status and without discrimination on the basis of race, color, sex, marital status, beliefs, age, national origin or disability.

All applicants for the nursing program should possess:

1. Sufficient visual acuity, i.e. to accurately prepare and administer medication and to participate in the observation necessary for client assessment and nursing care;
2. Sufficient auditory perception to receive verbal communication from patients and members of the health care team as well as to assess the health needs of people through the use of monitoring devices such as cardiac monitors, stethoscopes, IV infusion pumps, dopplers, fire alarms, etc.;
3. Sufficient gross and fine motor coordination to respond promptly and to implement the skills, including the manipulation of equipment, required in meeting health needs;
4. Sufficient communication skills (speech, reading and writing) to interact with individuals and to communicate their needs promptly and effectively as may be necessary in the individual's interest;
5. Sufficient intellectual and emotional functions to plan and implement care for individuals;
6. The ability to lift and/or move up to 50 pounds, and;
7. The ability to be on feet for 8-12 hour clinical.

II. Commitment

The Associate Degree Nursing (ADN) Program is a vigorous and intense program of study. Success in the program requires major commitment to make studying a priority. Study outside of class is a requirement as well as practice time for nursing skills. Working more than 20 hours per week is discouraged due to the time requirements in the program. Students need to have good time management skills as well as assistance with childcare and finances.

III. Campus Locations

Seattle Central College offers nursing classes at the three campuses of the Seattle Colleges District: Seattle Central, North Seattle, and South Seattle. Students will have the opportunity to designate a preference of campus when applying to the program. The program admission requirements and the selection process are the same for all campuses.

IV. Nursing Program Admission Requirements

Prerequisite Requirements

BIOL& 160	General Biology	5 credits
BIOL& 241	Human Anatomy & Physiology 1	5 credits
BIOL& 242	Human Anatomy & Physiology 2	5 credits
BIOL& 260	Microbiology	5 credits

MATH& 146	Q-Introduction to Statistics	5 credits
ENGL& 101	English Composition	5 credits
PSYC& 100	General Psychology	5 credits
PSYC& 200	Lifespan Psychology	5 credits

Additional Program Admission Requirements

- Successfully complete a Nursing Assistant Certified (NAC) Program; obtain a valid/active Washington State Nursing Assistant Certification (NAC) prior to application.
- Complete the Test of Essential Academic Skills (TEAS) within 24 months prior to the application date. An Overall Adjusted Individual Total Score of 75% or higher must be achieved.
- Attendance to a nursing information session prior to applying is highly recommended. You may attend a session at any Seattle Colleges campus:
 - Seattle Central: <https://healthcare.seattlecentral.edu/tours-and-information>
 - North Seattle: <https://northseattle.edu/programs/nursing/calendar>
 - South Seattle: <http://www.southseattle.edu/programs/proftech/nursing/rn/>
- Have your transcripts evaluated prior to applying if you have taken classes outside of Seattle Central College. Submit official transcripts to SCC Registration and Records and then submit an Incoming Transcript Evaluation Request Form to Registration: <http://www.seattlecentral.edu/forms/workforce-evaluation-form-B-191.pdf>. This process takes 6-8 weeks to complete. Verification of completed transcript evaluation must be uploaded with the application.

Corequisite Requirements

These classes must be completed prior to entering the sixth quarter of the ADN program, but *do not* have to be complete at the time of application.

ENGL&102	English Composition II	5 credits
HUM 105	Intercultural Communications	5 credits

Humanities Requirement: student will need to choose one of the following:

PHIL 102	Contemporary Moral Problems	5 credits
PHIL 110	Intro to Social Ethics	5 credits
PHIL 111	Introduction to Bioethics	5 credits

Important Notes:

1. All admission requirements must be complete prior to submitting the nursing application. See the Nursing Program Requirements Worksheet for a checklist of requirements.
2. A minimum grade of 2.5 is required for all prerequisite and corequisite courses.
3. All prerequisite and corequisite courses may be repeated twice within 5 years prior to the application period.
4. Transcript Evaluations must be done for all coursework taken outside of Seattle Central College. This must still be completed for courses taken at North and South Seattle College campuses.
5. Advising by campus: After you have completed the general Seattle Central Admissions process, attend an information session and receive your transcript evaluations results:
 - Seattle Central – you may contact any Academic Advisor in our Advising and Transfer Center, BE room 1102, by calling (206) 934-4068 for pre-nursing course planning and to review the transcript evaluation.
 - North Seattle – contact advising directly at (206) 934-3658 .
 - South Seattle – you can contact any Academic Advisor in our Advising and Transfer Center room by calling (206) 934-5387 or stop by RSB 11 for pre- nursing course planning and to review the transcript evaluation.

V. Application and Selection Criteria

Students are accepted by a lottery of applicants who have completed all program admission requirements by the application submission deadline. Applications are accepted twice every year in April for entrance into the fall cohort and in July for entrance into the winter cohort. Application dates will be posted on the Seattle Central College nursing website.

VI. Admission Procedure

Only students with completed online applications will be considered for admission to the Seattle Central College (SCC) Nursing Program. It is the student's responsibility to ensure that all requirements are met and all required documents are uploaded in the nursing application for admission.

VII. Post-Admittance Requirements Prior to First NURS Course

After acceptance for admission and before beginning NURS courses, students will receive detailed instructions for meeting the following mandatory requirements:

- Provide documentation of the following immunization/titer requirements:
 - Two-Step TB skin test **OR** TB IGRA (Quantiferon or TSpot) **OR** Negative Chest X-ray
 - Three Hepatitis B vaccinations **AND** a positive/immune titer
 - Two MMR vaccinations **OR** positive/immune titers for each disease

- Two Varicella vaccinations OR a positive/immune titer
- Tetanus/Diphtheria/Pertussis (Tdap) vaccination
- Latest Covid Immunization
- Provide proof an American Heart Association Healthcare Provider BLS CPR card
- Provide proof of current personal health insurance
- Complete a national and state background check
- Complete required education modules provided by the SCC Nursing Department

VIII. Re-Application Policy

If an applicant is not accepted into the program and wishes to reapply during a different admission cycle, the applicant should attend a nursing information session and resubmit a nursing application by the desired admission cycle deadline to be considered. All program requirements must be satisfied prior to submission of the nursing application.

IX. Americans with Disabilities Act/Discrimination

Policy of Non-Discrimination on the Basis of Disability

Seattle Central College does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its programs and activities. Requirements essential to the program of instruction or related to licensing requirements, however, are not regarded as discriminatory.

Students with documented disabilities may receive accommodations under the Americans with Disabilities Act. Students requesting support should meet with the Disability Support Services office to make academic arrangements.

X. Program Criminal Background Check

The nursing program at Seattle Central College requires students to submit a Criminal History Disclosure form in their application, and then to obtain criminal background checks after being accepted into the program and then annually. The purpose of the background check is to ensure a safe clinical environment for both students and the public and to meet the contractual requirements of area healthcare facilities. Clinical facilities may request additional background checks.

Seattle Central College has established a background check procedure, which will be provided to students upon acceptance into the nursing program. Students who fail to submit a Criminal History Disclosure form and to initiate a background check upon acceptance and annually cannot complete or continue enrollment in the nursing program.
